About LAIA Consortium

The LAIA Consortium, in alliance with MWCC, unites Spain's leading general contractors and industrial corporations with a strong presence and interests across the Americas.

Our Focus Areas

We operate across key sectors that drive economic growth and innovation:

Construction

Engineering

Energy

Mobility

Our Mission

To forge international strategic alliances that unlock new market opportunities, deliver unparalleled competitive advantages, and drive sustainable growth in emerging and high-potential regions.

Madrid-Riyadh Bridge

We are committed to building a robust partnership framework between Madrid and Riyadh, fostering corporate collaboration and shared growth opportunities.

Agenda

May 2025: C-Level Meeting Series in Madrid

A series of executive meetings in Madrid will serve as the first step toward solidifying this strategic initiative and fostering collaboration between Spanish and Saudi corporations.

November 2025: C-Level Meeting Series in Riyadh

A follow-up series of executive meetings will take place in Riyadh, building on the progress made in Madrid and strengthening ties to further advance joint opportunities.

End of 2025: Opening of a Representative Office in Riyadh

By the end of 2025, LAIA Consortium plans to open a representative office in Riyadh, creating a dedicated platform for partnerships and market engagement.
